

Dear Friends,

After reviewing all the guidelines in regard to living with the Corona virus pandemic, the Ad Council and I have decided to suspend all activities including worship at St. Paul United Methodist Church until April 1. At that time we will review our schedule going forward. As I understand the present situation we as a nation are trying to slow the spread of the virus so that our health care facilities and personal will not be over whelmed.

In the meantime we will continue to be the church by electronic communication and telephone. It is a time to stay connected and to remember one another. A phone call or text will be needed. Let us continue to look UP and OUT. We are a people of faith and we live by faith and in these times it has never been truer. Paul writes in Colossians 2:10, “and you have been given fullness in Christ, who is the head over every power and authority.” We are in no better place than to be in Christ. May God bless you this day and the days to come. There will be a time and we hope soon, that we will be able to gather again in a place and time to celebrate all that God has done is doing and will do for us. Peace be with you and we will continue together in the days ahead. Pastor Bob
